

PRESERVATION  
SOCIETY OF  
PAWTUCKET

**Historic House Marker Program**

The goals and objectives of the Marker Program of the Preservation Society of Pawtucket are:

- To identify and recognize historically and architecturally significant structures
- To raise public awareness of, and appreciation for, said structures
- To encourage historically sensitive changes to structures in the City of Pawtucket

ELIGIBILITY

Any building or structure located in the City that contributes to the architectural or historic character of the City will be considered. The exterior of all structures reviewed by the Committee for recognition will be evaluated by the following criteria:

- **Historical Relevance** – connection to an historical event, person, or to an economic, social, or cultural trend in Pawtucket
- **Date of Construction**
- **Architectural Significance and Integrity**
- **Landscaping**
- **Possibility of Jeopardy** – whether the property or structure is threatened by neglect, environmental factors, vandalism, or demolition
- **Contribution to the Neighborhood**

TO APPLY

Complete the form and send it to us along with any information you want to share about the structure.
